**COUNTY JUDGE EXPRESSES OPTIMISM ON  
WEST RAIL CORRIDOR PROJECT**

County Judge Eddie Treviño, Jr., expressed his thanks to the City of Brownsville for the acceptance of the resolution regarding the West Rail Corridor at their City Commission meeting on Tuesday night.

“I am committed to West Brownsville and to listening to the needs and concerns of all the people on this project. I have been working with our County Commissioners and with several City Commissioners to produce a document that will enable us to start the process on this important project. I applaud the City and look forward to working with them to advance the project development starting with the environmental phase. The environmental study is the critical path in any transportation project and without the ability to move forward we will never get the project started”, Treviño stated.
