

Resolution No. 2015R09054

**CAMERON COUNTY COMMISSIONERS COURT
RESOLUTION OF INTENT TO ESTABLISH A CAMERON COUNTY PACE PROGRAM**

STATE OF TEXAS §
 §
COUNTY OF CAMERON §

WHEREAS, THE 83RD Regular Session of the Texas Legislature enacted the Property Assessed Clean Energy Act, Texas Local Government Code Chapter 399 (the "PACE Act"), which allows the governing body of a local government, including a county, to designate an area of the territory of the local government as a region within which an authorized local government official and the record owners of commercial, industrial, and large multifamily residential (5 or more dwelling units) real property may enter into written contracts to impose assessments on the property to repay the financing by the owners of permanent improvements fixed to the property intended to decrease water or energy consumption or demand; and

WHEREAS, the installation or modification by property owners of qualified energy or water saving improvements to commercial, industrial, agricultural, and large multifamily residential real property in Cameron County will further the goals of energy and water conservation without cost to the public; and

WHEREAS, the Commissioners Court finds that financing energy and water conserving projects through contractual assessments ("PACE financing") furthers essential government purposes, including but not limited to, economic development, reducing energy consumption and costs, conserving water resources, and reducing greenhouse gas emissions; and

WHEREAS, the Commissioners Court, subject to the public hearing scheduled as provided below, at which the public may comment on the proposed program and the report issued contemporaneously with this resolution, finds that it is convenient and advantageous to establish a program under the PACE Act and designate the entire geographic area within the County's jurisdiction as a region within which a designated County official and the record owners of qualified real property may enter into PACE financing arrangements:

THEREFORE, be it resolved by the Commissioners Court of Cameron County that:

1. The Recitals to this Resolution are true and correct and are incorporated into this Order for all purposes.
2. Cameron County hereby adopts this Resolution of Intent and finds that financing qualified projects through contractual assessments pursuant to the PACE Act is a valid public purpose.

3. Cameron County intends to make contractual assessments to repay PACE financing for qualified energy or water conserving projects available to owners of commercial, industrial, agricultural, and large multifamily residential real property. The program is to be called Cameron County Property Assessed Clean Energy (“Cameron County PACE”).
4. The following types of projects are qualified projects for PACE financing that may be subject to such contractual assessments:

Projects that (a) involve the installation or modification of a permanent improvement fixed to privately owned commercial, industrial, or agricultural real property or residential real property with five (5) or more dwelling units, and (b) are intended to decrease energy or water consumption or demand, including a product, device, or interacting group of products or devices on the customer’s side of the meter that uses energy technology to generate electricity, provide thermal energy, or regulate temperature.

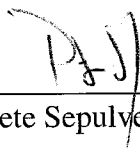

An assessment may not be imposed to repay the financing of facilities for undeveloped lots or lots undergoing development at the time of the assessment or the purchase or installation of products or devices not permanently fixed to real property.

5. The boundaries of the entire geographic area within Cameron County’s jurisdiction are the boundaries of the region where PACE financing and assessments can occur.
6. Financing for qualified projects under the PACE program will be provided by qualified third-party lenders chosen by the owners. Such lenders will execute written contracts with Cameron County to service the assessments, as required by the PACE Act. The Cameron County Judge or his designee is designated as the Authorized County Official to sign the contracts with property owners and lenders. The contracts will provide for the lenders to determine the financial ability of owners to fulfill the financial obligations to be repaid through assessments, advance the funds to owners on such terms as are agreed between the lenders and the owners for the installation or modification of qualified projects, and service the debt secured by the assessments, directly or through a servicer, by collecting payments from the owners pursuant to contracts executed between the lenders and the owners. The lender contracts will provide that Cameron County will maintain and continue the assessments for the benefit of such lenders and enforce the assessment lien for the benefit of a lender in the event of a default by an owner. Cameron County will not, at this time, provide financing of any sort for the PACE program.
7. Cameron County will contract with the Lower Rio Grande Valley Development Council to be the independent third-party Program Administrator.
8. The report on the proposed PACE program prepared as provided by Texas Local Gov’t Code Sec. 399.009, is available for public inspection on the Internet website of Cameron County: <http://www.co.cameron.tx.us> and in the office of Cameron County, Texas, 1100 E. Monroe Street, Dancy Building, Brownsville, Texas 78520 and is incorporated in this resolution and made a part hereof for all purposes.

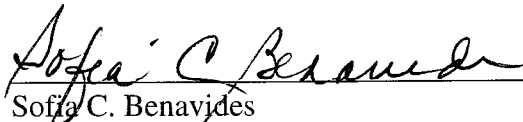

9. The County Judge or his designee is designated as the appropriate Cameron County official and the appropriate assessor-collector for purposes of consulting regarding collecting the proposed contractual assessments.

10. The Cameron County Commissioners Court will hold a public hearing on the proposed PACE Program and Report on _____, 2015 at _____ a.m./p.m. in _____.

Adopted this _____ day of _____, 2015.

Pete Sepulveda, Jr., County Judge

Sofia C. Benavides
Commissioner, Precinct One

Alex Dominguez
Precinct Two

David A. Garza
Commissioner, Precinct Three

Absent

Dan A. Sanchez
