## Cameron County Earns Excellence in Safety Award from TAC Risk Management Pool

AUSTIN — Cameron County has earned a 2018 Excellence in Safety Award from the Texas Association of Counties Risk Management Pool (TAC RMP) for its record of excellence in involvement and commitment to safety in the workplace, as well as for controlling workers' compensation claims.

To qualify for the award, the county must participate in TAC RMP's Workers' Compensation Program, have a safety program or accident prevention plan and have an active safety committee.

Through its commitment to safe practices among county employees, Cameron County works to reduce employee injuries and obtain substantial savings for taxpayers by minimizing workers' compensation costs.

The county is one of 17 TAC RMP members statewide who have earned this award.

Governed by a board of county officials, TAC RMP has provided counties with protection against risks and liabilities for 40 years. TAC RMP's risk control programs and services, delivered to more than 400 members, help Texas counties promote safety and save tax dollars.
