For road conditions, visit the TxDOT website at www.txdot.gov or call TxDOT's automated phone system at 1-800-452-9292.

Motorists are asked not to move, tamper with or drive around barriers blocking a low-water crossing. Penalties range from \$200 to \$1,000 &/or 2 yrs in jail. The barriers are there for the safety of the traveling public.

TxDOT's goal before, during and after a tropical storm/hurricane emergency is to get people to safety, get people home safely and help in the cleanup and recovery. We are working with state emergency management officials and local officials to provide TxDOT resources and expertise necessary to ensure the safety of all Texas residents.
