Cameron County To Conduct Ribbon Cutting in Arroyo City

Arroyo City, TX – Cameron County will hold a ribbon cutting on Saturday, May 19, 2007, in Arroyo City, Texas, for the Arroyo City Fire Station and Family Learning Center.

The completion of the Arroyo City Fire Station and Family Learning Center is an example of communities coming together for the greater good in Cameron County. The property that Bud and Linda Koch donated to Cameron County for the construction of the Arroyo City Fire Station and Family Learning Center is spacious enough for this new facility to house a fire truck and an area where families may gather to learn. The City of Rio Hondo has agreed to place a fire truck in this new facility and has also committed to assist with the development of a volunteer fire fighting team. The Family Learning Center located at this new facility will provide the residents of Arroyo City easy access to educational resources and it will enhance community development.

Judge Cascos stated, "Working together and developing partnerships with all our communities enhances the quality of life for all our county residents."

THE PRESS IS INVITED TO COVER THE RIBBON CUTTING. The address is intersection of FM 2925 and Arroyo City Boulevard, Arroyo City, Texas. Press should set up by 9:45 am.
