COUNTY CLOSES BOCA CHICA BEACH

Cameron County Judge Carlos H. Cascos has ordered the closure of Boca Chica beach due to high tides and dangerous conditions along the Gulf Coast.

“I have asked our law enforcement authorities to ensure that no individuals or vehicles be allowed access to Boca Chica beach. It is very important that the public pay attention to our warnings and stay out of harms way,” Judge Cascos stated. “We continue to monitor Tropical Storm Alex as it makes its way through the Gulf of Mexico with a trajectory into southern Mexico and along the Texas border. Tropical storm Alex is predicted to become a hurricane in the next few hours and we are already beginning to have wind gusts and high tides at our beaches,” Judge Cascos stated.

Judge Cascos also stated “the county continues to prepare and coordinate sandbag distribution, shelter locations and evacuation assistance with all of its partners. We will see lots of rain and flooding and we need to be prepared.”
