## COUNTY ANNOUNCES SIGN UP LOCATIONS FOR SOLID WASTE SERVICE

Starting tomorrow September 3, 2008, Allied Waste Services (BFI) who will be providing solid waste service for all residents living in unincorporated areas of the county will be holding sign up opportunities for new customers at various locations countywide.

In February 2006, the Cameron County Commissioners Court passed an Order requiring County residents, who live in the unincorporated area of the county (outside of a city limit) to use the Cameron County Solid Waste Service.

This means that beginning September 1, 2008, Allied Waste is the only authorized residential solid waste provider outside of a city limits in Cameron County. This endeavor is to promote safe collection, transportation, and disposal of solid waste to limit and control pollution in Cameron County. Weekly residential pickup of garbage and a monthly brush and bulky item pick up will continue with the new provider. Your assistance in making this transition is appreciated.
