Re: Cameron County Bid
Bid # 2560 Flexible Base

Mrs. Findley:

Due to rapidly increasing diesel fuel prices, Frontera Materials will be increasing our prices for the above referenced project. Diesel has increased by approximately \$1.00/gal. These delivered Caliche increases are approximately 8%.

I have included these invoices for verification.

The revised prices will be effective May 23 2011, and are as follows:

Zone 1 \$12.21
Zone 2 \$13.56
Zone 3 \$15.33
Zone 4 \$15.76
Zone 5 \$18.21

If you have any question or comments concerning this issue, please call.

Sincerely,

FRONTERA MATERIALS, INC.
