PURPOSE AND ORGANIZATION

This guide is intended to give a brief insight into the County's procurement process. The County's basic procurement philosophy is that competitive participation of the business community is vital to our mutual welfare. While this guide does not encompass every detail of all regulations, practices, and statutes governing purchasing, it does provide the basic principles of our procurement practices.

The County's Purchasing Division is responsible for buying all the supplies, materials, and equipment necessary for the delivery of municipal services, as well as for contracting minor construction and professional or personal services. Consequently, the Purchasing Division is the only entity within the County government authorized to issue bid invitations over \$25,000, discuss price and delivery commitments, and to release purchase orders and term contracts. The Purchasing Division is located at: Cameron County Courthouse, 1100 E. Monroe Street, Brownsville, Texas 78520.

NOTE: Cameron County's Purchasing Division is separate from, and in no way related to, the Purchasing Divisions for the Brownsville Independent School District, Texas Southmost College, and the City of Brownsville. Each of these entities maintains separate Purchasing Divisions. Cameron County has executed Interlocal Purchasing Agreements with several local entities that do allow for cooperative purchasing of selected items.

POLICY STATEMENT

The Purchasing Division attempts, at all times, to maintain good will between the County government and the business community. Toward this end, we strive to:

- 1) Give all suppliers full, fair, prompt, and courteous consideration.
- 2) Keep competition open and fair.
- 3) Solicit supplier suggestions in the determination of clear and adequate specifications and standards.
- 4) Cooperate with suppliers and consider possible difficulties they may encounter.
- 5) Observe strict truthfulness and highest ethics in all transactions and correspondence.

ETHICS

GRATUITIES AND PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS:

Any elected or appointed official who has any substantial interest, either direct or indirect, in any business entity seeking to contract with the County, shall, before any vote or decision on any matter involving the business entity, file an affidavit stating the nature and extent of interest and shall abstain from any participation in the matter. This is not required if the vote or decision will not have any special effect on the entity other than its effect on the public. However, if a majority of the governing body is also required to file, and do file similar affidavits, than the member is not required to abstain from further participation. Attached and included is a disclosure of all of this Company's business or pecuniary financial relationships with officers or employees of Cameron County or County entities (if any such relationships exists) must be attached and included with Bid submitted. The Buyer may, by written notice to the Seller, cancel this contract without liability to Seller if it is determined by Buyer that gratuities, in the form of entertainment, gifts, or otherwise, were offered or given by the Seller, or any agent, or representative of the Seller, to any officer or employee of Cameron County with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or the making or any determinations with respect to the performing of such a contract. In the event this contract is cancelled by Buyer pursuant to this provision, Buyer shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by Seller in providing such gratuities. Consistent and continued tie bidding could cause rejection of bids by the County and/or investigation for Anti-Trust violations. Bidder guarantees that he has not retained a person to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies maintained by the contractor for the purpose of securing business.

LOCAL PREFERENCE

LOCAL PROPOSER'S PRINCIPAL PLACE OF BUSINESS - 3% PREFERENCE: (consideration of location) The County Commissioner's Court may award to the lowest Proposer or the Proposer whose principal place of business is within Cameron County if the Commissioner's Court determines, in writing, that the local Proposer offers the County the best combination of contract price and additional economic development opportunities for Cameron County created by the contract award, including the employment of residents of Cameron County and increased tax revenues to Cameron County. This option exists only within 3% pricing of the lowest RFP/RFQ price. In order to provide the County Commissioner's Court adequate information for assisting in considering this option, the RFP/RFQder should submit with each RFP/RFQ the following information for Commissioner's Court review with all information requested to be detailed and \$\$\$ current quantifiable numeric data. 1. Where is your principal place of business (ie: Corporate Headquarters) City, County, State, Signature of Proposer, Title, Date? Along with this information, submit information with responses to the following questions. 2. Why and how Proposer believes that the local Proposer offers the County additional economic development opportunities for Cameron County created by the contract award? 3. How will award to local Proposer benefit the employment of residents of Cameron County? 4. How many employees does Proposer employ within Cameron County and how many employees are affected financially by award/purchase? 5. How will award to local Proposer increased tax revenues to Cameron County? This information should be provided and updated with each RFP/RFQ submitted to the County. If Proposer is local and within 3% of the lowest RFP/RFQ, this information will be submitted to Commissioner's Court along with tabulation sheet. There has been no mandatory requirement or Policy established by Commissioners Court which requires submitting answers to these questions or attending Commissioners Court meetings for the awarding of bids relative to 3% local preference, however individual Commissioners may or may not have preferences (relative to these issues) when making their decision. This paragraph will be revised upon policy change made by Commissioners Court.

REQUEST FOR SUPPLIER INFORMATION

In order to be placed on the correct bid lists, simply complete a Bidder's List Application Form indicating which commodities or services your firm can supply. A detailed listing of the goods or services that the County might purchase is available in the Purchasing Office. Return the form:

By Mail:& In Person:
Cameron County Purchasing
Purchasing Department
1100 East Monroe St.
Brownsville, Tx. 78520

Your firm will then receive a bid request when a need for your product or service exists.

The County reserves the right to remove a supplier from our vendor list for (1) failure to respond to bid requests, (2) failure to deliver merchandise within promised time, and (3) delivery of substandard merchandise or services.

BUSINESS CERTIFICATION

As part of the application process to do business with the County, vendors are to certify if their firm meets one or more of the categories of business below.

Small Business: A concern, which is independently owned and operated, and which is not dominant in its field of operation. The business employees fewer than fifty (50) employees and/or does less than \$3 Million in annual business volume from this local operation. This business status requires only a self-declaration on the vendor's application form.

SUPPLIER PERFORMANCE

Purchasing will establish Vendor Performance files for all vendors doing business with the County. Suppliers should keep Purchasing advised of any changes to their marketing or remittance addresses, as well as additions or deletions in goods or services offered. Doing so will ensure that your firm receives appropriate bid requests or requests for proposals, as well as ensuring that payments are made to proper addresses.

Delivery Dates. Failure to meet a specified delivery date reflects on your performance and could be a factor in subsequent award determinations. It is the supplier's responsibility to notify the Purchasing Division when a delay in the delivery schedule is anticipated or occurs. At that time, the supplier should indicate the new anticipated delivery date and the reason for the delay. It should be noted that failure to deliver within contractual delivery schedules may result in the supplier being declared in default. In that event, termination action will be taken by the County under the provisions of the Uniform Commercial Code as adopted by the State of Texas.

Quality and Service. Unsatisfactory product quality or service performance also reflects on a supplier, and could be a factor in subsequent award determinations as well as removal from our vendor list. Such performance can increase the County's operating costs and must be taken into consideration when awards should be made to the "lowest responsible bidder".

PRESENTING YOUR PRODUCT

You will find the Purchasing Division ready and willing to assist you in competing for the County's business. If you have a product to sell, please feel free to stop by and talk to us. Please call (956) 544-0871.

PROCUREMENT METHODS

Cameron County employs the following methods to procure goods and services:

Purchases in Amounts of \$1 - \$499 may be made on the basis of one (1) quotation.

Purchases in Amounts of \$ 500 - \$14,999 may be made by the Purchasing Department on the basis of three (3) written quotations.

Purchases in Amounts of \$15,000 - \$24,999 may be made by the Purchasing Department on the basis of three (3) written quotations only with Commissioners Court specific approval.

Purchases in Amounts of \$25,000 or greater are subject to requirements of the competitive bid process unless specifically exempted by State law.

Emergency Purchases occur after normal working hours or on weekends when it is necessary to satisfy operational needs of an immediate nature. The Department making the emergency purchase will notify the Purchasing Division on the next workday, and a confirming purchase order will be assigned.

Confirming Purchase Orders are verbal authorizations from the Purchasing Department to authorize personnel in the requesting department to place orders on behalf of the County when goods or services are required to satisfy immediate operational needs. **Purchase Orders are required prior to any Vendors releasing from Vendor's location, shipping, delivering: Equipment, Materials, Supplies, or rendering Services.**

Service Agreements are contracts for service and repair of equipment generally established annually or at the acquisition of the equipment. The Purchasing Department will coordinate service agreements. Departments will contact authorized vendors when service/repair of equipment is needed.

BIDDING METHODS

Cameron County utilizes competitive bidding for the contracting of goods and services over \$15,000 unless exempted by State law or approved by Commissioner's Court over \$15,000 but less than \$25,000. Since competitive bidding is the foundation of all purchases, we make every effort to continually seek sources that have the capability to meet the needs of the County at competitive prices.

Public Advertising. Purchases and contracts involving the expenditure of more than \$25,000 require public notice of the time and place where sealed bids or proposals will be received. All public notices will be advertised in the "official newspaper" for County notices as determined by the Commissioners Court, as well as various other advertising methods. For the name of the current "official newspaper", and other advertising methods being utilized, contact the County's Purchasing Department by telephoning (956) 544-0871.

Public Accessibility to Bids and Proposals. Subject to the following conditions, copies of competitive bids are available to interested parties. Copies will be made so as not to disrupt the normal operation of the Purchasing Department. Copies of data and information submitted in competitive sealed proposals/bids are not available prior to the time the contract is being considered for approval by Commissioners Court or awarded by the County. The cost of copies is subject to the County's standard charges of public records. Vendor proprietary information and data which is clearly marked as such by vendors is not considered public information (Chapter 552, Government Code, V.T.C.A., the Open Records Act). The County will assume that vendor information is not proprietary unless it is clearly marked by the vendor.

Request for Proposal. The County utilizes the Request for Proposal (RFP) Method in the procuring of goods, services, or professional services. This method is used when the competitive bidding process is not suitable, as in certain professional services under the State of Texas Statutes. The RFP provides to the potential vendor information such as work statement, time frame, specifications, and specific criteria to be used in evaluating a proposal. We request the vendor to provide information such as an understanding of the work to be done, the approach to be used, and pricing data, which may include a price breakdown or cost schedule, so the cost to the County can be adequately considered.

Request for Sealed Bids. Unless exempted by State law, municipal purchases of goods or services exceeding \$25,000 must first submit such contract to the sealed bid process. This process shall include the advertisement for bids, receipt of sealed bids in accordance with plans and specifications, public opening of bids, and award of contract by the Commissioners Court. In high technology acquisitions, bids are opened so as to avoid disclosure of contents to other vendors during review. Discussions may be conducted by an evaluation committee with responsible vendors who submit competitive sealed proposals determined to be reasonably suitable of being selected for award. The purpose is to clarify and assure full understanding of, and responsiveness to, the requirements. On occasion, these vendors are requested to submit the best and final offer.

BID SECURITY-BONDING

In order to protect the interests of Cameron County taxpayers, the County may require bonding security on bids and contracts, depending on the dollar amount involved.

Bid Security. Bid security, in the form of a cashier's check, certified check, or bid bond is mandatory for bid submission for all bids of \$100,000 or greater in value. Although usually five (5%) of the bid value, the amount of the security may vary depending on the specifics of the bid. Bids for amounts less than \$100,000 may require security, depending on the specifics of the bid.

Performance and Payment Bonds. (in connection with a contract for the construction, alteration, or repair of any public building or completion of any public work) In accordance with State statutes covering governmental purchases, performance bonds are required on any contract exceeding \$100,000. Payment bonds are required on any contract exceeding \$25,000. The County may also elect to require performance and payment bonds for contracts other than public works contracts.

INSURANCE

The County requires that all contracts contain certain insurance coverage to be provided by the contractor, lessee, etc.. The requirements set forth below should be considered minimal. Any exceptions to this coverage shall be reviewed and approved by the County prior to award of contract. Contractors who engage subcontractors shall be responsible to see that subcontractors procure and maintain the same insurances required of the contractor.

An original copy of all applicable insurance certificates should be provided to the County in accordance with the bid documents prior to the start of any work. The certificate(s) of insurance shall contain the following information:

1. Name of insurance company.
2. Policy number.
3. Inception/expiration date.
4. Description of coverage.
5. Limits of insurer's liability.
6. County as additional insured (property and liability policies).
7. Notice of cancellation condition (i.e. notice to the County at least ten (10) days prior to policy cancellation or substantial change).
8. A waiver of subrogation in favor of the County on Worker's Compensation Insurance.
9. Policies shall be written by companies authorized to do business in the State of Texas and rated "A-6" or better by *A. M. Best*, or "A" or better by *Standard and Poor's*.

NOTE: The contract insurance requirements are subject to modification as may be published in the bid documents.

CONTRACT INSURANCE REQUIREMENTS

Specific insurance requirements are incorporated into the bid documents and specifications of each bid. Insurance requirements for Cameron County are constantly under review to determine the appropriateness of both coverage and values.

SUBMISSION OF BIDS

Sealed bids must be received in the Purchasing Division prior to the due date and time, or they will be considered to be non-responsive. Bids received after the due date/time or "FAXED" bids will not be accepted.

Sealed bids are opened, in the County Purchasing Department, on Tuesdays at 10:01 A.M. on Bid deadline date, as specified in the bid request. Bid openings are open to the public. At RFP/RFQ opening only the Proposer's names are read out but proposal content are not open for public review at that time. Your firm's representative is welcome to attend, whether or not engaged in the bidding.

Modification or Withdrawal of Bids. Bids may be modified by written notice or in person by the bidder or authorized representative, provided proper identification is provided. However, the modification may only be made prior to the hour and date set for the receipt of bids. To maintain the integrity of the bidding process, a bid that has been opened by the County is not subject to alteration for the purpose of correcting an error in the bid price, unless the mistake is clearly evident from examining the bid document (e.g. extension of the unit prices or errors in addition). This policy does not revoke the right of a bidder to withdraw a bid due to material mistakes prior to bid opening by the County. Bids for contracts over \$25,000 may be withdrawn before bid opening or after with permission from the Commissioners Court.

BID EVALUATION AND AWARD

It is the policy of the County to purchase from suppliers who have adequate financial strength, management, and service capabilities, high ethical standards and integrity, the ability to provide materials which consistently meet the County's requirements and are otherwise qualified and eligible to receive an award under applicable laws and regulations.

Texas Resident Bidders. Except for a contract involving federal funds, a contract may not be awarded to non-resident bidder, unless a non-resident's bid is lower than the lowest bid submitted by a responsible Texas resident bidder by the same amount that the Texas resident bidder would be required to underbid a non-resident bidder to obtain a comparable contract in the state in which the non-resident's principle place of business is located. This does not apply in circumstances where non-resident bidder is owned by a majority owner or a parent company with its principle place of business in Texas (Article 601G, V.A.C.S. An Act relating to bids by non-resident bidders).

RFP / RFQ EVALUATION & AWARD

Evaluation: Evaluation shall be used as a determinant as to which RFP/RFQ items or services are the most efficient and/or most economical for the County. It shall be based on all factors which have a bearing on price and performance of the items/services in the user environment. All RFP/RFQ's are subject to tabulation by the Cameron County Purchasing Department and Evaluation Committee's recommendation to Cameron County Commissioners Court. Compliance with all RFP/RFQ requirements, delivery and needs of the using department are considerations in evaluating RFP/RFQ's. **Pricing is NOT the only criteria for making a recommendation (see criteria).** The Cameron County Purchasing Department reserves the right to contact any offeror, at any time, to clarify, verify or request information with regard to any RFP/RFQ.

Award: Cameron County may hold all Rfp/Rfq's for a period of sixty (60) days. Cameron County reserves the right to delete any item it considers too expensive. Rfp/Rfq prices are to be F.O.B. Cameron County. All discounts will be considered in determining the lowest, responsible Proposer. Cameron County reserves the right to award this contract on the basis of EVALUATION CRITERIA (AS STATED IN RFP/RFQ) in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, to reject any or all Rfp/Rfq's. A written purchase order or notice of award mailed or otherwise furnished to the successful Proposer within the time of acceptance specified in this package results in a binding contract without further action by either party.

Identical Bids. When two (2) or more responsible bidders submit the lowest responsible bids, and these bids are identical in both amount and nature, the County will enter into a contract with only one of the responsible bidders, as selected by casting of lots by the County. It should be noted that this does not prohibit multiple and progressive awards, if specified in the bid request.

Specifications: By law, the County must accept the "lowest responsible bid" in any given bid situation. To accomplish this, the County uses a two-step approach when evaluating bid responses. The first, and primary, step is to determine which responses "mirror" our specifications. It is incumbent upon the County to develop specifications that promote competition, while at the same time ensure our operating needs are met. To promote fair competition, it is paramount that vendors are competing on a level playing field. County policy, coupled with recent case law interpretation, states that before a bid passes through to the next stage of the evaluation process, the vendor response must "mirror" our specifications, that is, it must take no exceptions. After we have established which bids were responsive to our specifications, we then go to the lowest bid and ask ourselves, "is this a responsible vendor?". (Have we ever had documented problems with failure to deliver as promised, lost orders, receipt of equipment not adhering to specifications, etc.? Does the bidder have the necessary manpower, experience, equipment and economic stability to perform the contract?) If we determine that the lowest bid to meet specifications was from a "responsible" vendor, that is the bid we are required by law to accept.

BIDS THAT TAKE ANY EXCEPTIONS TO OUR SPECIFICATIONS WILL NOT BE FURTHER CONSIDERED.

Insurance/Bonding Requirements: Many bids Cameron County is involved in have insurance and bonding requirements as part of the specifications, or sample contract, mailed with the bid. **THE BONDING AND INSURANCE REQUIREMENTS IN A BID CANNOT BE WAIVED.** You are expected, if awarded the contract, to furnish us with an insurance certificate satisfying ALL requirements. Please consult your insurance agents prior to submitting a bid to determine whether or not you will be able to secure the necessary insurance. If you determine you will not be able to meet our requirements, please save yourself a considerable amount of time by no-bidding the project.

Partial Awards. Unless the bid document specifies otherwise, the Purchasing Department may award a contract for any item or group of items shown on the bid request.

Reservations The County expressly reserves the right to: (1) waive any informality; (2) waive any defect, irregularity or informality in any offer of solicitation procedures; (3) reject any or all bids, or portion of a bid; (4) re-issue a bid request; (5) extend the bid opening time and date; (6) procure any item by other means; and (7) increase or decrease the quantity specified in the bid invitation, unless the bid specifies otherwise.

Award Notification. Official notification of a purchase award can only be made by the Purchasing Department. Notice of award given by any other agency of the County may be premature and inaccurate. Award of an open market purchase is made by issuing a Cameron County Purchase Order. The successful bidder(s) of a price agreement is notified of award by letter from the County's Purchasing Division. Included will be a summary of prices and commitments made in the bid.

PROTEST PROCEDURES: Procedure - This protest procedure is available to vendors responding to this Bid requesting a debriefing conference.

Protests of the decisions of County Purchasing Department shall be made by letter to the County Judge, Commissioners Court, who may establish procedures to resolve the protest. Annual RFP/RFQ renewal – Price Increases: All Annual RFP/RFQ's with a one (1) year renewal option requires that the awarded Proposer must notify Cameron County of any anticipated price increases to the current Annual RFP/RFQ (in writing) at least two months prior to the annual renewal award date unless otherwise specified within the specific provisions of the RFP. This allows the County sufficient time to plan for re-advertising for Proposals due to a vendor required price increase. If Vendor fails to notify the County within time noted it shall be assumed that there will be no price increase for the following year's award period if renewed. This procedure does not apply to any Annual RFP/RFQ's which allow for Open Market Price increases or Cost allowance increases during the RFP/RFQ award period (as so specified in the RFP/RFQ documents).
