**CHANGE PAGE # 3 – ITEM # 13**

**FROM:**

- 13. Partial bids will not be accepted unless awarded by complete category or line item. To be awarded by Category.

**TO:**

- 13. Partial bids will not be accepted unless awarded by complete category or line item. To be awarded by Category or Total Bid if more advantageous to the County.

**CHANGE PAGE # 14 – PROJECT DEFINITION**

**FROM:**

Testing is to be done quarterly with the four quarterly test providing coverage of 100% of the entire system per year. The schedule shall provide for complete testing of one fourth ( 25% ) of each floor per facility per quarterly test. It should be noted that this schedule provides for quarterly maintenance and testing of specific portions of the system such as the central alarm device, etc.. The system items that will be tested during each quarterly test will be enumerated by the contractor in their proposed test schedule. Procedures with any notation indicating "as applicable", etc. are to be performed if the piece of equipment in question has any such need for the procedure. It is not the contractor's option to perform a procedure if the referenced component exists.

**TO:**

Testing is to be done semi annually with the two semi annual test providing coverage of 100% of the entire system each time. The schedule shall provide for complete testing of 100% of each floor per facility per Inspection and test. It should be noted that this schedule provides for semi annual maintenance and testing of specific portions of the system such as the central alarm device, etc.. The system items that will be tested during each semi annual test will be enumerated by the contractor in their proposed test schedule. Procedures with any notation indicating "as applicable", etc. are to be performed if the piece of equipment in question has any such need for the procedure. It is not the contractor's option to perform a procedure if the referenced component exists.
